“Fall” Into Our Week

Reading: **Unit 1 Week 5**

This week we will focus on main ideas and key details and context clues. The main idea is the most important point that an author makes about a topic and the key details tell more about the main idea.

Grammar/Writing **Unit 1 Week 5**

This week we will focus on simple and compound sentences. In Writing we will focus on the stages of the writing process.

Math: **Chapter 3 Subtraction**

This week we will be working on subtraction using the standard algorithm as well as subtraction within word problems. Students must regroup when subtracting numbers up to three digits.

Science/Social Studies: **Living Things/Maps & Continents**

In Social Studies, we will continue learning about the seven continents, focusing on North America. We will learn about the countries in North America. In Science, we will continue learning about how living things compete for resources, as well as animal adaptations. Students will be introduced to food chains.

Upcoming Events

Sept. 12 - Open House/Title 1 Meeting

Sept. 13 - PROGRESS REPORT 1

Sept. 14 - Parent/Teacher Conference

Sept. 15 - Grandparent’s Day

Sept. 21 - Field Trip-Botanic Gardens \$3.50

Chiefs3.weebly.com

The 3rd grade website will provide you with information about upcoming events, weekly learning goals, and online resources for your child.
